Gentlemen:

I am anxious to obtain pictures of the medal that was given to General Zachary Taylor by the State of Louisiana. Should I be able to get them from your society will you kindly let me know the cost. I am advised that in 1901 a Mr Barlow of New York City owned the sword presented by the state of Kentucky to Gen. Taylor, do you happen to know where it is now

May I ask that you pardon me for taking the liberty of addressing you

Yours very truly

Alex B Randall
